THE PEOPLE NETWORK

TNT – THE PEOPLE NETWORK

Our "door to door" courier services connect people and businesses around the world for more than 70 years. One thing did not change over the years. People and human attitudes have always been the foundation of everything in TNT. And they will always be. Because TNT is The People Network.

Monthly CO2 emissions report

LOCAL ACTIVITIES WITH EMPLOYEES AND PARTNERS

- **Training of employees** on social and environmental aspects.
- **Road and work safety** programs to keep zero accidents.
 - Drive Me Challenge – international drivers` competition focused on safety, fuel consumption efficiency and customer care
- **Guiding suppliers** to implement programs in line with TNT's objectives and goals.
- **Healthy Workplace**, Promoting Healthy Lifestyle – **EU OSHA Good Practice Award in Healthy Workplaces for All Age Groups**.

HEALTHY WORKPLACE

A healthy, safe and comfortable workplace must be planned before building the premises:

- Proper orientation of building can provide plenty of daylight.
- Opening windows (fresh air) with exterior blinds.
- Self-controlled local air-condition units (instead of central heating).
- Human open space
 - smaller working nests,
 - separating and soundproofing walls made of suitably placed furniture and shelves,
 - greenery.
- Rest room.
- Dining room directly in the building.
- Showers for employees and couriers.

SUPPORT OF HEALTHY LIFESTYLE

- regular first aid courses,
- professionals medical lectures and examinations within working hours (on workplace)
- vaccination against influenza or vitamin packages for employees and their family members,
- eye examinations, ergonomic workplace design,
- fruit days, full drinking regime - water, tea, coffee,
- small rehabilitation / fitness center within workplace,
- support for bicycle transport to work,
- pilates /yoga lessons directly in company offices,
- reserved swimming pool for employees
- advantageous MultiSport cards for family members,
- running team activities.

COMMUNITY

- Member of the **Business Leaders Forum** – an association of companies that pledged to become leaders in asserting the principles of corporate responsibility in Slovakia.
- Participation **in the construction of a bicycle path** for Vajnory city district.
- **Sponsoring**
- **Charitable corporate auction**
1 785 eur for the civic association Svetielko nádeje

According to EU OSHA, TNT is the most healthy workplace.

We help with planting trees in the Tatras.
